Instructions For Onsite Test

- IMPORTANT: Check your local time zone (AST/GST), convert the exam time to your local time, and appear for the exam accordingly.**
- This hall ticket is valid only for the examinations listed above.
- Check your hall ticket details carefully.
- Carry your **hall ticket and a valid government photo ID** (Aadhaar, Passport, PAN, or Driving Licence). Entry is not allowed without the hall ticket.
- Check that the **course number and course title** on the question paper match your hall ticket.
- For onsite exams, carry the downloaded hall ticket and report to the exam centre **at least 45 minutes before the exam**. Late entry is not permitted.

7. Follow all exam instructions shared through email, e-learn, and the Examination Guidelines/FAQs.
8. Read the instructions given with each question carefully. Follow the required answer format and submission method.
9. For any issue during the exam, immediately contact the **invigilator**. Answer scripts sent by email will not be accepted.
10. **The following are strictly prohibited during the exam:**

- Bluetooth devices, headphones, earphones, smart watches, Kindle, and iPods.
- Talking to or exchanging materials with other students.
- Using mobile phones or electronic devices, except where specifically permitted for answer-sheet upload.
- Using WhatsApp, Telegram, Signal, or other messaging apps.
- Using websites, search engines, or generative AI tools.
- Leaving the exam hall without the invigilator's permission.
- Disobeying the invigilator's instructions.

I confirm that I have read and understood the examination rules and agree to follow all instructions. Any malpractice or use of prohibited digital platforms/devices may be treated as unfair means and may lead to strict action as per the institute's policy.
